Press Release: Springfield Electric Supply Announces Acquisition of Heintz Electric

Springfield Electric Supply Company has purchased the assets of Heintz Electric Company, Quincy, Illinois. Locations acquired include Quincy, Hannibal, MO, and Keokuk, IA. Springfield Electric now has 16 branch operations and is headquartered in Springfield, Illinois. Next year will mark their 80th anniversary and they are ranked as one of the 50 largest electrical distributors in the United States. Springfield Electric traces its roots to William R. Schinring Sr., who established the company in 1932. The company is a partial ESOP with over 275 associate owners.

Respectfully,

Alan Baum
VP Marketing
Springfield Electric Supply Co
Springfield, IL 62702
